

Karl's Nail Points

Candle of Tradition - Lantern of Change - Light of Service

Fellow Lions,

Wow- it's been over a month since I returned from Australia. We had a very successful Banner Transfer. Thank you to all the Lord Baltimore Lions who helped make it a success, especially the Chair and Co-Chair Janet and Jack Bauer, and thank you to all the clubs and Lions who were there. Next it was off to Governor's night at the Delaware Valley Eye Bank.

We in 22-D are so lucky to be part of such a first class operation. When you think about it, look at what we help support- the Eye Bank Lion Vision Research Foundation, Leader Dog, Lions Youth Foundation, and our own Delaware Lions Foundation, along with all we do to support Lions International.

There is no doubt in my mind we are the best, and you make it that way, Lions of 22-D! Do you have any idea how much we as a District gave away last year? When you see me around, give me your thoughts of how much- the answer will be in next month's Nail Points. Last week I attended a Zone meeting for Region 2 Zone 1. Zone Chair Joan did a great job and the enthusiasm was fantastic. All the clubs are active and all looking for new ways to serve.

What will the rest of August and the start of September bring? Well, August 31 will be the PSTM Dinner, you don't want to miss this. It's a great night of answers to some of your questions and ideas on what to look for in the year ahead. Please let your club members know that this is not just a meeting for Presidents, Secretaries, Treasurers and Membership Chairs. All Lions are welcome and I encourage all Lions to come. On September 2, we start our Official visits -I can't wait. Also in September is the USA Canada Forum, and there is still time to register. If you have any questions please contact PCC Clyde Bragg at (320) 284-8052 or any Club President or Secretary. This is one good time, please think about it. When we get back we will be doing more club visits and just good times hanging out with Lions- what could be better?

I hope you all have been thinking about new ways to serve and have been focusing on Youth. I know lots of clubs don't meet in July and August, so now it's time to go to work. If you don't meet in the summer, you might want to think about it - if only for one month. There is a lot to do, we need to grow and look at new ways to help our communities. Let me know your ideas, thru email or a phone call, or just pull me aside when you see me and say- hey what do you think about this. As we move into fall our focus will be on Vision and how we can serve our fellow man by improving eye sight. We ARE the Knights of the Blind. All through your bulletin you will see all the upcoming events. Please think about which one interests you or maybe you have something of your own- if you do let's share it. International President Sid told us at DGE School that when he sees us Governors he wants to know how the Lions of our District are. I know what I will tell him- that we all are Beacons of Hope and finding new ways to serve. To serve better we need more hands every day ask someone to be a Lion!

Thank you all for what you do every day.

Diabetes Corner:

What type of damage does high blood glucose do to my body?

Over time, high blood glucose levels can damage both blood vessels and nerves in your body. This can result in poor blood flow to your hands and feet in addition to your legs, arms, and vital organs. Poor blood flow to these areas increases your risk of infections, heart problems, stroke, blindness, foot or leg amputation, and kidney disease. In addition, you can either lose the feeling in your feet or have increased pain in your feet and legs. Damage to your feet can occur from mild injuries, and you may not know it. Finally, damage to blood vessels and nerves can lead to sexual problems that are difficult to treat. For all these reasons, you should make a major effort to avoid high blood glucose levels in your body.

The Annual 22-D Banner Transfer dinner, held at the Sheraton Dover Hotel on Tuesday, July 27 had 190 Lions and Lionesses from 31 clubs in attendance.

Following the transfer of the District Banner from Amanda Speechley, President of Claymont to Immediate Past District Governor Lee Bird who passed it on to District Governor Karl. Lord Baltimore President Bob Alexander then accepted custody of the banner from D.G. Karl for the upcoming year.

IPDG Lee thanked everyone for their support during his year as Governor. DG Karl then had the induction ceremony for his cabinet officers, followed by some comments and goals he would like to see the district accomplish. Short speeches were made by 1st VDG Mike Hlavac and 2nd VDG Ken Chew.

1st VDG's Message

Greetings to the all the Lions, Lioness, Leos and Friends of District 22-D:

Shirley and I recently returned from our official visit to Leader Dog School in Rochester Hills, Michigan and what an experience! We even had the opportunity to walk blindfolded with a dog in training! (Do I hear the chuckling in the back-ground?)

Now to the important stuff: Our district completed the last Lions' Year with positive membership growth! This is the first time in quite a few years. And, as usual, 22-D leads the pack in Multiple District 22! With Membership and Extension under my leadership, we are aiming to do even better this Lions' Year! The new campaign set out by International President Sid Scruggs is to be "Plus One" by September 30, 2010. *I am challenging every club to achieve this goal.* So Presidents, Secretaries, Treasurers, Membership Chairs and all Lions, get started on planning those new prospective member nights for the month of September. Feel free to contact our District Membership Chair PCC Grant Curtis and/or myself for any assistance. Let's give DG Karl a ***great start*** to his year.

Yours in Lionism!

1st VDG Mike Hlavac

2nd VDG's Message

As the belated new (ha! ha! I will turn 69 next month) kid on the block, I have much to learn this coming year about the great Lion's of District - 22D and the larger 22 Multiple District.

After attending last May's Convention and being elected Second Vice District Governor, I was surprised to learn that I would be attending a Council of Governor's Turn Over Meeting before I left Dover. I have been learning new things since. I have attended a DLF meeting in July and my wife, Marie, and I going to the USA/Canada Forum in Milwaukee, Wisconsin and I am sure we will learning more there.

The most important learning this year will take place as I visit all of the clubs of District 22D with Governor Karl. I also hope to visit most clubs as I begin my campaign for First Vice District Governor. As a retired elementary school teacher/administrator of 45 years, I now again will be a student.

My goal this year is learn as much as I can about the rich legacy of service that the Lions of 22D have provided to the people of Delaware. I look forward this exciting journey.

Yours in Lionism,
2nd. VDG Ken Chew

"You are on the right track"

"It was like a family"

"Great! Do it every year!"

"Every Lion should do this at least once in their career"

"Would love to do this again. I learned"

Memberships notes from District Governor Karl

As of today August 18, we are at a minus 6 Lions. We need to move up. If you have a member who wants to drop, please find out why. If a Lion is behind in their dues, please find out why - maybe as a club you can help. If you have already paid their dues for the first half, lets take the time to try and bring that Lion back . They are an important part of your club and they wanted to be a Lion. It is worth our time to see why we are losing them and what we can do to meet their needs. I would ask all membership chairs to have any Lion who drops fill out the exit interview and send it to Retention chair, Lion Jim Coverdale. As Lions, we must help our own as well as the citizens of the world. Please ask someone to become a Lion today.

How can we convince you that this retreat is an experience you don't want to miss? Talk to Lions who attended this retreat before – they'll tell you! The workshops are informative, the activities are fun (always something new), the relationships you build are lasting, the camp is beautiful, and we have lots of fun! Lions Camp Merrick is located on the Potomac River in Charles County, MD. It is approximately one hour from Washington, D.C. The site is beautiful with 300-year-old oak trees, the river, bald eagles, etc. Sleeping accommodations are heated/air conditioned cabins with multiple bunk beds and a bathroom in each cabin. Birdsong, PCC Rowe Haywood's version of "Reveille", and the aroma of breakfast will greet you each morning. Evening brings a spectacular sunset and a campfire complete with all the marshmallows you can roast!

If you are going to stay at the camp you should bring your own bedding (sheets/blanket/pillow or sleeping bag), towel and washcloth, and your own soap and shampoo. Dress is obviously casual. Bring comfortable clothes that you can adapt for warm days and cool evenings.

If you are "just thinking about" coming – call any one of the district leadership chairs and talk about your reservations. We want you there! Don't be left out this year!

DLF Ramp Signs

When a club asks DLF for help to pay for a ramp that club will get a sign for free with their *name and address* or *phone number* on the sign. A club can also have a sign done for their club only with their name and address or phone number on the sign. The cost is \$5.00.

Any project that goes through DLF and if a sign is needed I will give that club a call to ask them how they want their sign done. See pictures below of the signs for ramps.
