

Karl's Nail Points

Candle of Tradition - Lantern of Change - Light of Service

Wow- December already and what a busy time this has been. To start with I sure hope every one had a great Thanksgiving. December started off with a couple of visitations. Three Visually Impaired Parties, one for each county. It is just amazing how different they are but how great they are. To all the Chairs, job well done!! I hope to go to all three again next year as they are what we as Lions are all about.

This year's Governors Ball was just plain GREAT. PCT Janet Brown and her team, thank you for a night which Anne and I will never forget. We sure are glad they let you out of the hospital in time. The program book was outstanding, thanks to all who solicited ads and the committee who put it together. PDG Ted and PCT Ann- your job is such a challenge! You cannot please every one, but you kept your cool. International Director and PDG Judy were UN believable. We took them to LVRFB in Baltimore on Friday, and Suzy Williams took them on an outstanding tour, we all enjoyed it. When you see Suzy, please thank her for all she does for LVRFB Wilmer and Lions. The Message on Saturday was one to remember. And the explanation on Sunday to the COG meeting of what the International Board is doing was very informative. The Sheraton staff was outstanding from the top to bottom. The only thing that I found to be wrong was I did not get to dance enough because of the COG meeting. That will not happen again. Sorry Anne.

This month is when we judged our District Peace poster, and we had eight finalists this year. Thanks to all the clubs that participated. The winner this year was from the Middletown Lions Club, a young lady named Alexandra Matikowis from MOT Charter. The Multiple District winner was from 22-W. This was not an easy thing to do, they all are so good. Thanks to all the clubs, the teachers and most of all the students who participated- Job well done!

Last year IPDG Lee said he did not want to talk about membership but he did and we grew by 37 Lions. This year we started off great with a positive number thru October. As of the end of November we are down by 2. That is the wrong direction! I am challenging all clubs to be at least plus one by June 30th. We as Lions must replace ourselves. We have been challenged by IP Sid to expand our service this year. In order to do that we need more hands. IP Sid (and I also) believe if we shine a light on what we do and involve more people they will want to join us. So think about doing membership recruitment that is also a service project. Let's all go out and ask someone to come help us make the world a better place to live.

With the start of the New Year comes many things to do. As clubs we will be continuing to fight hunger and serve our counties and ask new folks to come help. On January 8th we will honor our founder Melvin Jones with a breakfast and fellowship in Dover. On February 4th I will plunge with the staff of the Special Olympics as I will be at a COG Meeting on the 6th. Coming in February don't forget Emmitsburg- it has something for all Lions so please think about it. I can tell you this if you have never been, you're missing a great time and you will not go home disappointed!

FROM OUR HOUSE TO YOURS MAY YOU ALL HAVE A VERY MERRY CHRISTMAS AND A NEW YEAR!

YIL DG Karl, Lion Anne Lion Eric and Leo Jessica

2nd VDG's Message

Disney World was a wonderful but very exhausting trip for my wife, Lion Marie, and I. We left on Friday, November 19th and arrived at Disney World at 6 AM that morning. With two granddaughters in tow, we visited every Kingdom there, rode every ride, saw every parade and fireworks, and got a photo and autograph with of every Disney character. It really was a fun family time and on Thanksgiving we had a delicious Turkey dinner with Chip and Dale in a slowly moving restaurant. We then all crammed into our rental car and drove straight home this last Saturday, November 27th, arriving back in Delaware at 12:30am Sunday morning. It may take Lion Marie and a week or more to fully recover.

Before I left for Disney World, my wife and I attended the rally at the Wilmer Eye Institute. We heard from several of the doctors, therapists, and patients of the amazing work done there. The theme of the Power Point presentation was "Avitar" and we were later treated to PDG John Shwed in an Avitar suit collecting the donations from various clubs and districts. After lunch, we were able to tour some the fantastic new buildings at John Hopkins which provide state of the art medical services for people with eye problems. What an exciting day and what a worthwhile multi-district project.

As the holiday season begins with the many parties and events, I will be attending the three county parties for the visually impaired this month. If you are able, please come see what the Lions of your District are doing. The holiday season also means the Governor's ball on December 4th followed by the meeting of the Council of Governors who are working on the Convention which will be held in Salisbury, MD in May 2011.

I wish each every Lion, Lioness, and Leo of District 22D a blessed holiday season and prosperous new year.

Yours in Lionism,
2nd. VDG Ken Chew

Diabetes Corner

I use my computer to get a lot of diabetes information because it's so easy. Is the information about diabetes on the Internet reliable?

Not always.

Though there is an amazing amount of valuable information on the Internet, a good portion of it is bunk. Along with lots of valid and helpful information, you will also find personal experiences that don't apply to you and outrageous claims designed to sell you a product. Separating the good from the bad can be difficult. The American Diabetes Association (www.diabetes.org) and the American Association of Diabetes Educators (www.aadenet.org) are good places to start when you want information, because they sponsor reliable sites. Many other organizations also sponsor websites featuring the latest diabetes research and other helpful information. There are also chat rooms where you can "talk" to other people who have diabetes and share experiences. You can learn a lot in a chat room, but keep in mind that you are hearing peoples' personal experiences, and these experiences might not apply to you. Before you act on something you see on the Internet concerning your diabetes, talk with your health care team to be sure it is right for you.

Melvin Jones – Founder of Lions Clubs International

Melvin Jones was born on January 13, 1879 in Fort Thomas, Arizona, the son of a United States Army captain who commanded a troop of scouts. Later, his father was transferred and the family moved east. As a young man, Melvin Jones made his home in Chicago, Illinois, became associated with an insurance firm and in 1913 formed his own agency.

He soon joined the Business Circle, a businessmen's luncheon group, and was shortly elected secretary. This group was one of many at that time devoted solely to promoting the financial interests of their membership. Because of their limited appeal, they were destined to disappear. Melvin Jones, however, had other plans.

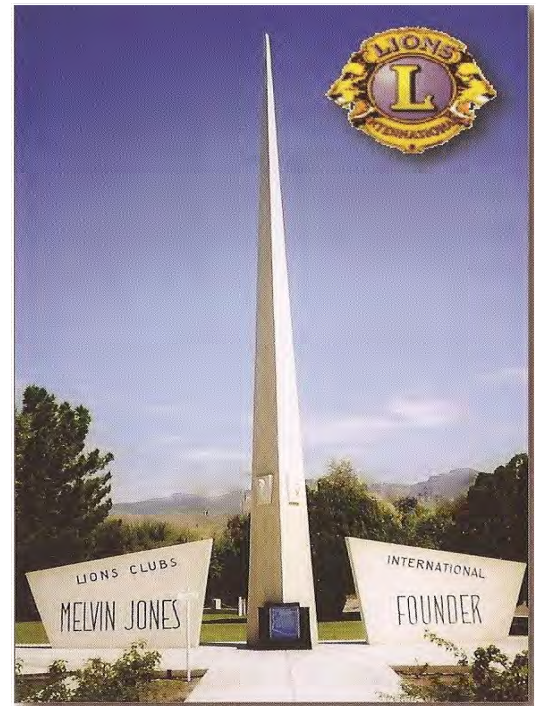

"What if these men," he asked, "who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's clubs met in Chicago to lay the groundwork for such an organization and on June 7, 1917, Lions Clubs International was born.

Melvin Jones eventually abandoned his insurance agency to devote himself full time to Lions at International Headquarters in Chicago. It was under his dynamic leadership that Lions clubs earned the prestige necessary to attract civic-minded members.

The association's founder was also recognized as a leader by those outside the association. One of his greatest honors was in 1945 when he represented Lions Clubs International as a consultant in San Francisco, California, at the organization of the United Nations.

Melvin Jones, the man whose personal code – "You can't get very far until you start doing something for somebody else" – became a guiding principle for public-spirited people the world over, died June 1, 1961 at 82 years of age.

A Melvin Jones Lions International Memorial was erected and dedicated in 1964 for all Lion to see and is located at Fort Thomas, Arizona. For more information: LIONS-MJM.ORG

Lion Helen Friend and members of the Wilmington Manor Club coordinated the meal of Hot Roast Beef Sandwiches, green beans, macaroni salad, raspberry sherbet, cookies & etc. Lion Tony Emmi of the Claymont Lions Club served as Master of Ceremonies for the evening. Musical entertainment was provided by the Newark Community Band. Following dinner, door prizes were distributed and more were given out after the entertainment. Lions in Action around District 22-D

Lord Baltimore Lions responded to a request from Ms. Roxann Williams, of the Delaware Health and Social Service Division for the Visually Impaired. Ms. Williams informed us that a Senior Citizen living in our area was in dire need of our help. Mr. Charles Berkes is 92 years old, legally blind, lives alone, and has always had a love for reading which he thought was lost. Charles' life is now not quite so lonely.

Charles has informed us that the Magnifier is enriching his life. He can now enjoy reading and all the other advantages the Magnifier will give.

Once again Lions are fulfilling the "challenge" of Helen Keller, that we be "Knights of the Blind".

In picture are from L—R Lions Tom Neary Chairman, Sight Committee, Bob Davis, Jim Beck with Mr. Charles Berkes seating in front of the On-Screen Magnifier.

RICHARD CLAUSEN HONORED FOR 50 YEARS OF SERVICE TO LIONS

SUBMITTED PHOTO

RICHARD CLAUSEN, RIGHT, was recently presented his pin and certificate for 50 years of devotion to Lionism. Clausen has been a member of the Rehoboth Beach Lions Club since the late 1990s. He had attended a club in Pennsylvania prior to joining the Rehoboth Beach club. The club invites all those to join that are interested in serving to help others. The main goal of Lions is to help the community, state and nation. Some of the local projects involve the library; screening children's eyes for amblyopia; and dispersing hospital equipment such as wheelchairs, walkers, crutches, rascal scooters and hospital beds. For more information, call President Tom Foster, left, at 644-6652.

LORD BALTIMORE LIONS GLOBAL SERVICE ACTION CAMPAIGN "RELIEVING THE HUNGER"

The Global Service Campaign "Relieving the Hunger" has been a huge success. Food contributions from our December 1st club meeting and the Senior Christmas Banquet amounted to 184 items. This was delivered to the Pyle Center on Monday the 13th along with ten \$10 gift cards for Food Lion Stores that were donated by our club.

The total amount we have taken to the Pyle Center for November and December was 317 items plus the gift cards.
