Fellow Lions,

Delaware State Lions Day was busy! I had pancakes at Glasgow and more pancakes at New Castle Hundred. That night it was out to the Wilmington Manor Charter Party (Yes, I am off the diet). I am not a bowler but Lion Jim did another fine job this year Chairing the **Bowling Tournament** and I had fun cheering on the Club's teams. The **Leader Dog Meetings** were well attended with good work by Chair PDG Bob Jones and all who helped to make them successes again this year.

This time of year, drops increase as clubs try to remove their "Dead Wood". **"DON'T DROP UM, ACTIVATE UM"** (my new retention motto). Be a pain! Make it harder to get out than it was to get in. Membership is at 1354 as of today 4/21, another positive number. We are still one of the top 20 Districts in the nation.

At the April Cabinet meeting, it was approved to resubmit an LCIF grant application for Delaware Association for the Blind. DAB's project from 2006 was held up due to the general economic down turn. This is an excellent Sight project, we are glad to see it back underway. The Claymont Lions Club has submitted the nomination of **Region Chair Ken Chew** for the office of **SVDG 2010-2011**. I am sure Ken will make an excellent SVDG and serve both Mike and Karl well. Many recognitions were made to the cabinet Officers and Chairs with funds donated to DLF in my name totaling just over \$4,600. Thank you all for making it possible to "Grow the Service". I was presented with a Lion's gumball machine (long story).

Training School May 6th is only about 2 weeks away. Again, I hope a member from every club will be able to attend the class on Club Branch Development. This is the key to our District's future growth. We have already started to work on the development of one branch and others are in the mill.

The **Multiple District Convention** in Dover is coming up quickly. Please plan to attend and send in all your forms today. We need a full count of delegates. Please see page 8 for **PDG Ted's Campaign** committee for details.

I have been asked why the Council of Governors (COG) requested the change in the **MD Constitution & ByLaws** as it pertains to site selection for the convention. With the COG power to relocate severely restricted, as it is now, the COG's ability to negotiate is also restricted. Once a site is selected the future COG have to deal with all the problems/changes that may arise while the selected sight is "Locked in" and as such not inclined to negotiate. A decision to move would not be done lightly. All five of the FVDG would be involved in any decision to relocate. This action brings us closer to the standard form of operation for a COG and it's powers.

Delaware State Lions Day Resolution House & Senate ,no debate

Here in the First State "They Love Lions!" I just received this last night. I believe this is the first time we have had a joint resolution of both the House & Senate to declare a "Delaware State Lions Day." No Debate .Rep Kovach is a lion in the Claymont Club. Sen. Cloutier turned in her application for membership to me last night. That will be my 3rd member in a year. With only 100 days left, I need to step it up a notch YIL DG Lee Bird.

DIABETES CORNER:

Why did my doctor recently start me on a blood pressure medication even though my blood pressure is only slightly elevated?

High blood glucose combined with high blood pressure increases your risk of getting diabetic kidney disease. Kidney disease can lead to kidney failure and the need for either dialysis or a kidney transplant. Doctors can identify diabetic kidney disease at a very early stage, when small amounts of protein appear in the urine (microalbuminuria). Certain drugs that lower blood pressure, such as ACE inhibitors, also lower microalbuminuria and can slow down the development of kidney disease. A lower-protein diet may also be beneficial in preventing kidney problems.

Club Presidents:

On behalf of the MD22 Convention Committee, I would like to remind you, and your Club members, that the MD22 Convention is fast approaching. Our Convention will convene in less than seven (7) weeks!! We are looking forward to a great Convention at Dover Downs, in Dover, Delaware again this year. If you have not already done so, this is a reminder to please sell, or have your Club purchase, the 50/50 raffle tickets that were given to each Club in the Multiple District. The funds generated from the sale of these raffle tickets help defray some of the Convention costs, plus increase the amount given away to three (3) lucky winners at the conclusion of the Victory Luncheon on the last day of our Convention. The winner does not have to be in attendance. They will be notified, by phone, later that day, and a check will be sent to them. Thanks for your help in this matter.

HOW CAN I BE A GOOD LION ?

1. A good Lion is one who is excited about the wonderful services that Lions world-wide provide to those in need.
2. A good Lion is one who is active and enjoys meeting new people and experiencing new situations.

The most beneficial thing that you can immediately do as a Lion is to go to your club meetings. The fellowship and informal interaction will help you get to know more about the people you will serve beside. No one is comfortable being a stranger among a group of friends, so don't let this happen to you.

The next thing you should do is learn as much as you can about the association. If there are programs or activities that intrigue or interest you, notify the contact person and get more information. Also, don't be afraid to ask questions!

Lions Clubs do a lot of fundraising. Witnessing the results of your hard work revitalizes you and keeps you excited about being a Lion. Take some time to think about your skills, talents, or interests. What do you like to do? What excites you? What would you or can you do to make a difference? And then...Let your club president know of your interests.

Finally, be proud to be a Lion and wear your lapel pin!

PDG Alan "TED" Reiver

Candidate for International Director 2010-2012

Hello Lions

I am writing to ask for your support in two ways. After much consideration, I, with the support of my wife Lion Ann, have decided to seek the high office of International Director for Lions Clubs International. It is my desire to represent the Lions of 22-D in the fine tradition of those who have served before me – PID Ralph N. Helm and PID James A. McCarty. I know these are big shoes to fill and I am willing to do the very best that I can to fulfill this task.

First of all, there will be competition for the office of International Director within our Multiple District 22. Therefore, I am looking for votes from the delegates at our Multiple District Convention in May, 2010.

Secondly, if our membership continues to fall as it has in recent years, we may not be eligible to present an International Director candidate at this time. With that said, please note that we have a Past Council Chair Grant Curtis, serving as our district's membership chair this year that has an excellent presentation on membership and is willing to assist your club in any way possible. Or, if there is anything I can do to work with you or your club, please don't hesitate to call on me. My phone number is: (W) 800-764-2312, (H) 302-762-6970, (Cell) 302-750-3009.

Thank you in advance for your support.

Your humble servant,
PDG Alan "Ted" Reiver

Fellow Lions,

I am sure that you are aware that District 22D (Delaware) has a candidate for the high office of International Director, *Past District Governor Alan "Ted" Reiver*.

What you may not know is that PDG Ted has competition for this office from 22W (Western Maryland). District 22W is a large district and will be eligible to have more delegates than 22D. Given this fact, it is extremely important that your club takes advantage of its entire delegate allowance and has these delegates present at the convention. **We need all of your club's delegates to attend on voting day and cast their vote for PDG Ted.** We have also been working hard to build support in the other sub-districts (22A, 22B, and 22C) in our Multiple District.

Sequence of events of how the election will take place at the convention:

Thursday May 20th, 22D Sub-District Meeting: PDG Ted's name will be placed in nomination for the office of International Director. During the Sub-District Meeting, the delegates in attendance will vote to endorse PDG Ted as candidate for International Director from our sub-district. *Only a majority of the delegates are needed to be present at this time.*

Friday, May 21st, Second Business Session, PDG Ted will be nominated by the delegates from the Multiple District as a candidate for International Director. His competitor, PCC Clare Newcomer, will also be nominated. During the voting in the sub-districts, there will be a separate ballot to resolve this issue.

Friday, May 21st, Sub-District Business Meeting and Elections. ***This is when we need every delegate from every club in attendance to cast their vote for PDG Ted.*** The winner will be the candidate with the highest total number of votes from all sub-districts. Listed below is an approximation of delegates available to each sub-district.

<u>22A - 110</u>	<u>22B - 148</u>
<u>22C - 170</u>	<u>22D - 130</u>
<u>22W - 200</u>	<u>Total - 758</u>

I have included a partial schedule of the convention and highlighted the election events mentioned above.

22-D Pins and Roster Books

In an effort to cut back on district expenses for next year I need some input from the Clubs on how many 22-D Pins your club might want next year. In the past each club received pins based on membership. Some clubs do not sell or use all of their pins and send them back, we have extras, or we have to eat the cost of them. The same is true of the Roster Books the District sends to each club for every member as of March 31 of the previous year. I feel that every Lion in the District should receive a book; some clubs do not feel that way. I will be asking all clubs to send me your thoughts on how many books and pins you want for next year, and this will be what you are billed for. If we do not receive any numbers from a club they will get what they got the previous year. I am requesting this information be returned by April. Then we can get the pins ordered so we will have them early and those going to the International convention may have some for trading. Please let me know your thoughts on this.
