"Serving With a Passion"

District Governor: Ralph Schieferstein

December 2005

Editor: Lee Bird

12/16/05

How do I begin my December message? What is politically correct? Merry Christmas? Season's Greetings? Happy Holidays? The choices are as many and individual as our Lions Clubs. I guess it doesn't matter how I begin as long as you know that I am wishing all my fellow Lions the best of everything for this Holiday Season and throughout the coming year.

I believe we are Lions because we have a deep desire to help those who are less fortunate or who need a little boost during the year. That is why our Clubs are so active this time of year. It is a time for sharing and giving and that is what Lions do. We have some of the most helpful, caring, generous Lions in the World here in Delaware. I am so very proud of you all and I am deeply honored to serve you as your District Governor.

My sincerest thanks go to all those Lions, Lionesses, and their guests who attended or supported the Governors Ball this month. I can never find the words to express my feelings when Sheila and I walked into that room and everyone stood and applauded. The love and honor shown us that night was something we will never forget. Thank you for giving me such a great honor and I will try to deserve it.

International Director Ernie Young was great! He was one of the best guests we have had from LCI. He is a real gentleman, a great speaker, and has a great sense of humor. Sheila and I really enjoyed the time we spent with him and look forward to seeing him again at the International Convention in Boston.

I can not mention the Ball without thanking Lion Cheri Bragg and her committee for the great job they did. I am sure that PDG Clyde helped a little so my thanks go to him also. Of course the Ball would not be what it is without the great Ad Book. Thanks to PCT Janet Brown, CS BJ Ryder, their committee, and all the Lions who sold the ads for bringing home another winner.

The Christmas Parties for the Blind and Visually Impaired were great events as always. Each one is also different from the other. What they all have in common is service to those less fortunate than us. Each event gives us another opportunity to serve our fellow man. If you have not attended one of these, I urge you to put the one in your County on your calendar next year. You will come back again and again.

Sheila and I hope you and your families have a very Merry Christmas and a safe and Joyous New Year. See you in 2006 ready to provide service to our communities here at home and around the world.

Remember, whenever I see you,

SHOW ME YOUR - PASSION!!!!!!

Ralph

I am very excited about working with this program. After being a diagnosed diabetic for 20 years I am passionate about getting the word out to as many that will listen and also to incorporate it with our programs concerning vision and vision loss.

Presently, I have contacted the American Diabetes Association and received many useful pamphlets. Unfortunately we missed November for that is National Diabetic Month. I am not sure what is expected of this position, but I would like to contact our various clubs and give a brief talk about the program and what we can do for others and ourselves about this chronic condition. I also heard that it may be possible to have a small column in the Lions Newsletter each month giving up to date information which may help those with diabetes, someone we know that has it and good information to the general population.

Letter from Membership development that was sent to all Club Presidents

12-13-2006

King Lions:

Please distribute this information at your next dinner meeting.

1. Membership:

LCI has waved the initiation fee for the spouse any Lion who joins a Lions Club. The waiver began December 1, 2005 and will end on June 30, 2006. Also, The Big Splash Contest is still up and running. The District is still giving out the new membership pins to Lions who sponsor a new member. Please Lions, if you can, bring in you spouse and let's all grow in membership and have fun at the same time.

2. Lions Leadership Institute:

Multiple District 22 Lions Leadership Institute is planning to have classes February 17 – 19, 2006 at Emmitsburg, MD. This will be the fourth year for the Institute. Consider joining our 237 Institute graduates and experience what others have said is **“the best leadership program I have ever attended”**. This year the District is providing support in the form of scholarships for the **First timers**. First timers will receive back part of the \$130.00 registration fee. The amount will depend on the number of First Timers from 22D that register. Please consider going.

The Advanced Leadership Institute cost will be \$190.00 as there is no funding from LCI for this program. There are 12 slots for each District and it is open to any Lion who has taken the First Timer program.

Enclosed is a copy of the applications form for each of the Institutes. King Lions, please make copies for any Lion that wishes to attend and encourage your members and upcoming officers to do so. Send the completed forms to DG Ralph.

3. The MERL team is putting together a power point/video presentation. We want to depict fundraisers and projects that the clubs in the District have performed. We need digital pictures, videos, or pictures that the clubs have taken of their projects. Along with the pictures and videos, we would like a brief description of the activity. Two Lions have volunteered to assemble this for us. This will be a fifteen to twenty minute presentation. This will be a good tool for the District and clubs to use in their membership efforts.

If you would like your club project or fundraisers included in this presentation, provide Lion Bob Daniels or PDG Mike Mock with this information by January 30, 2006. All suggestions and comments are welcome. We hope to hear from your club soon.
