*"Serving With a Passion"*

District Governor: Ralph Schieferstein

OCTOBER 2005

Editor: Lee Bird

Disaster has struck again! This time instead of a hurricane it was an earthquake in Pakistan and India. Immediately LCIF sent a \$200,000 emergency grant and three additional \$10,000 grants to local clubs to use to provide water, shelter, and first aid. LCIF also created a Pakistan Earthquake Relief Fund for Lions, Lions clubs and others to make designated donations. If you wish, mail a check payable to LCIF and write "Pakistan earthquake relief" in the memo field. Send the check to LCIF, 300 W. 22nd St., Oak Brook, IL 60523, Attn.: Donor Services. You can also donate by credit card with MasterCard, Visa or American Express by calling LCIF at 630-571-5466, ext. 517 or 554. Lines are open between 8 a.m. and 4:30 p.m. CST.

On a happier note, Club visitations are underway and CS BJ, CT Bruce, and VDG Keith and I are really enjoying our visits. As of the date of this message, 10/21/05, we have visited 7 clubs and have three more scheduled next week. All of the visits have been upbeat and positive and I am looking forward to visiting the rest of the clubs soon.

The Walk for Sight last weekend was well attended. We had more walkers than ever even if we did not achieve the same level of donations as last year. Lt. Governor Carney, Agriculture Secretary Michael Scuse, and Miss Teen USA Delaware helped kick off the event and really took the event to the next level of recognition. We had great media coverage and I really think next year will be an even greater event. Don't forget the Auction to benefit the Foundation coming up on November 6 at the Rollins Center at Dover Downs.

Last night I represented the Lions of Delaware at the Special Olympics **Night of Heroes** and accepted, on your behalf, their Outstanding Organization of 2005 Award. It made me extremely proud to be able to receive it for you. What a great association we have with them! Our Lions help out with their events, raise funds (many by jumping in a cold ocean in February), and provide eye exams for the athletes at their summer competition. Our fellow Lions, Winnie and Barbara Spence are a vital part of that organization as well as ours. Did you know there is a Spence Award Room at the U of D where the Special Olympics Hall of Fame members' pictures are displayed? It was an event worth attending even if we had not received the award. I was glad to see Lions from Fenwick Island, Newark, Spring Creek, Dover, Newark, Brookside, Glasgow, Talleyville-Naamans, and of course the Spences from Wilmington Manor attending the event. If I missed naming any club that was represented, I apologize for the oversight.

The second Cabinet meeting is fast approaching and hopefully by now you know that we are inviting the club officers and any other Lions that wish to attend and see what goes on at a Cabinet Meeting. And since the meeting is scheduled for Halloween night, you are invited to come in costume. I will, and I hope you join in the fun. I don't really want to be the only one there in costume.

That's all I have for this month. See you at your club meeting soon!

**SHOW ME YOUR - PASSION!!!!**

## Campaign Sight First II

Club Officers! Consider making your Club a Campaign Sight First II Model Club

SightFirst is extraordinarily successful, having saved the sight of 24 million people worldwide. More than \$175 million in SightFirst grants have been awarded by LCIF. Less than \$25 million of SightFirst funds remain and there is much work to be done. After careful study, the Lions Club International Board of Directors has endorsed Campaign SightFirst II, a three year worldwide campaign to raise \$150 million with an additional goal of \$50 million.

SightFirst is so successful we can't stop now!

Model Clubs are being sought to set the example in supporting SightFirst II. Candidate model clubs should have a goal of raising and/or having pledges of \$400 per member, club-raising activities and events, matching or outright gifts and pledges from the Club treasury. Clubs will have 3 to 5 years to fulfill the pledges.

This is an opportunity to make your club a recognized leader among the 45 thousand plus clubs in our organization.

Please report to me by no later than Dec 1, if your Club is interested in becoming a model club.

Also, if you have anyone in your club or citizens in your community who you consider as potential major contributors to CSF II, please provide me their names.

David E. Jones, PDG  
District Coordinator

### District Golf Outing Date is Set:

A flyer with all the particulars will be in the DeTails after the first of the year.

## September 2005 Membership Report The Big Splash Contest

Lions:

Time and tide wait for no one. I am seven days late in doing the Districts membership report. (My time line only) and here I am writing the membership report in the Millsboro Public Library between Lions meetings that I need to attend, Midway at noon and Selbyville – Indian River at 6:30 p.m. USA/Canada Leadership Forum was a big hit for me. I did pick up a CD with some good information on it. I will be providing clubs with a summary of pertinent information.

Classes have started with the Merl Team, Region Chairs, and Zone Chairs. I thought the first class went very well but participation was light. Hopefully, more Lions will participate in the February classes.

The New membership **PINS** are being distributed to Lions who bring in a new Lion. A Merl Team member or I will give you the **New District Membership Pin** when you sponsor a new member. In addition this month, PDG Ken Draper and Lion Paul Enterline of Dewey Beach Lions club are also assisting in the distribution.

The District has provided fifty new membership kits and has ordered and received thirty more. If your club needs membership kits, just give me a call. The District also has information on LCI, running meetings, orientations, mentoring, or club formation. This information is available in English, Spanish, and Chinese.
